# Design & Size

We provide Craftsman Steel Board & Batten Siding custom cut to the half inch per specifications. Any length is available from 2' up to 35'.

Thickness options include 29 and 26 gauge.

## R1 Profile

## D2 Profile

# Warranty & Finish

Painted Craftsman Board & Batten carries a 50 year paint warranty, 50 year substrate warranty, and 30 year fade/chalk warranty. Unpainted Galvalume carries a 45 year warranty.

The painted option is a baked on enamel paint over primer and Galvalume. The non-painted Galvalume option is 45% zinc and 55% aluminum with a clear acrylic overcoat.

# Purpose & Use

Craftsman Board & Batten is most popular choice for residential and light commercial use. A steel substrate and hidden flange fastening system lock out wind and water.

Craftsman Board & Batten is designed to be installed over solid decking, but can sometimes be installed over wood battens when going over uneven surfaces.
